

The Basics

Kiewit has been shaping the landscape since 1884. Today, we are one of the largest and most respected construction, mining and engineering organizations in North America.

The Kiewit Difference

Our principles and practices are what make the difference to our clients and set us apart from the rest.

- Safety is Kiewit's top priority. No excuses. No shortcuts. Nobody Gets Hurt.
- Quality work is delivered right the first time; we stake our reputation on it. We offer the best training to the best people and create an environment focused on quality performance.
- The environment is everyone's responsibility. At Kiewit, we are committed to being the best possible stewards of the environment.

Our Core Values

People. Integrity. Excellence. Stewardship. Our strong and meaningful values have defined Kiewit's success and longevity. Kiewit's leaders and workforce continue to ensure that our values remain at the core of everything we do.

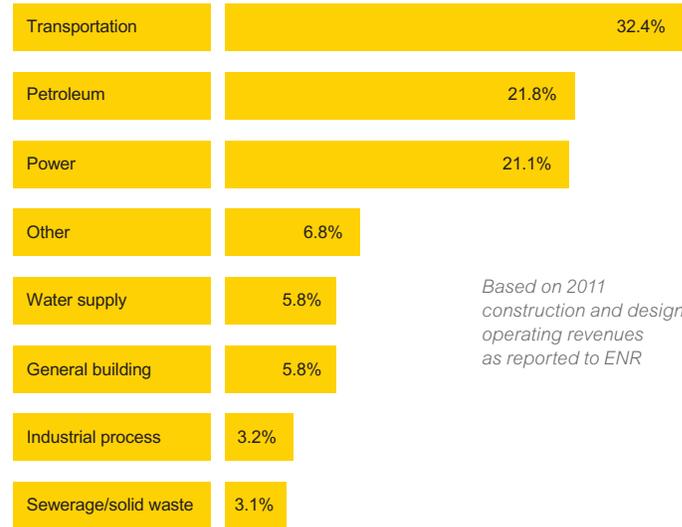

Quality People

Kiewit people are defined by a willingness to take on challenges, explore new ideas and perform their best.

- The Kiewit workforce includes 10,400 core staff and 15,600 skilled craft workers.
- Kiewit is owned by active employees, creating a level of motivation that keeps the company on top.
- Our people make Kiewit a career. The average tenure is an impressive 27 years for executives, 23 years for district managers, 15 years for project managers and 11 years for superintendents.
- Kiewit has LEED® accredited professionals who are trained to achieve green objectives and support green designs.

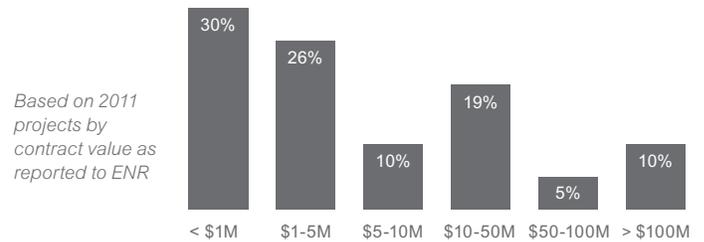

Market Diversity

Kiewit offers services in a variety of markets, successfully delivering some of the most challenging projects.

Based on 2011 construction and design operating revenues as reported to ENR

No job is too large or too small. We deliver world-class solutions to projects of every size.

Based on 2011 projects by contract value as reported to ENR

Financial Stability

In 2011, Kiewit's revenues exceeded \$10 billion. With no operational long-term debt, our strong balance sheet offers clients the assurance their projects will get completed.

Resources

You can't accomplish what we do every day without the largest and most modern privately owned equipment fleet in North America. It boasts 26,000 units with a replacement value of \$2.4 billion.
